

DEFENSE WAIVES RIGHT TO ARGUE CASE

ATTORNEYS FOR CLARA SMITH HAMON SPRING SURPRISE IN TRIAL

Ask to Have Case Go Immediately To Jury--Court Adjourns to Give Prosecution Time to Look Up Law--Brown Makes Scathing Denunciation of Defendant.

ARDMORE, Okla., March 16.—Today's session of the trial of Clara Smith Hamon, charged with the murder of Jake L. Hamon, prominent Oklahoman, was brought to a close with the unexpected action of the defense in announcing that it would waive its right to argue the case and asking that it be sent immediately to the jury.

H. H. Brown, special prosecutor, had concluded a strong plea for conviction of the defendant, denouncing her in bitter terms when W. P. McLean of the defense, said:

"The state has opened argument of its case and it has closed it."

The state was unprepared for the move and Attorney General Freling, in charge of the prosecution, was absent. The court thereupon withheld a ruling and when Mr. Freling arrived and said he wished time to look up the matter in the light of the law, adjournment was ordered.

Judge Champion tonight said he was in doubt as to his ruling tomorrow on the petition of the defense to waive argument, but that the plea would be made that Attorney General Freling would close the case with his argument, the usual procedure.

Previous to Mr. Brown's speech to the jury, Judge Champion delivered his charge to the jury wherein he pointed out the three degrees of murder under the Oklahoma code:

Murder, with a sentence of life imprisonment or electrocution; first degree manslaughter, with a sentence of from four years to life imprisonment; and second degree manslaughter, with a minimum fine of one dollar. He also explained the matters of self-defense, excusable homicide and dying declarations.

Brown Compares Women
Prosecutor Brown, taking nearly an hour for his appeal, pointed to Mrs. Hamon and asked the jurors to contrast the two—the one with a look of goodness and honesty in her face, and the other "painted faced, well tailored with beautiful furs, prettily arranged hair and who from this witness stand cooed to you like a dove."

He asserted that Clara's story of the shooting of Hamon, with whom she had lived for eight or nine years, was told yesterday in a school, a tragic voice.

A contract between Hamon and Clara, introduced as evidence yesterday and in which she came to work for Hamon for \$35 a week subject to discontinuance at two weeks' notice drew much attention from Mr. Brown. The contract provided that should a child, boy or girl, be born of their relations, such child should receive \$35 a week, be recognized by the father, and share in the Hamon estate.

The prosecutor's references to Clara Hamon as a woman who had crept into the Hamon home and who had sold herself body and soul brought from the young defendant no sign of emotion. Her relatives in the court room showed signs of marked disapproval as he referred to the Smith family as having profited by the illicit relations of Clara with Hamon.

Blair's testimony important
The state hurried thru with its rebuttal testimony placing five witnesses. The testimony of Samuel Blair, newspaperman, was given by Attorney General Freling to have been the most important. Mr. Blair procured an interview with Clara while she was in Chihuahua City, Mexico. Today he said the interview as printed was in substance as given him.

Blair had quoted Clara as having referred to a will which he said she believed would be kept hidden until after her trial and then brought to light; as having told him of the details of a fight on the night of November 21, when Hamon was fatally shot, and as having said she hated the dead man for the years of dominance he had held over her.

Erect Dunlap and Dr. Walter Brady, business associate and cousin respectively, recalled as witnesses, testified that Mrs. Rose Cannon, a nurse at the Hardy sanitarium, who had preceded them

OVER MILLION AND HALF OUT OF EMPLOYMENT

February Shows Decrease of 16,295 Over Month of January

DETROIT AND PEORIA SHOW INCREASES

(By The Associated Press)
WASHINGTON, March 16.—The number of persons employed in the United States continued to decrease during February, the department of labor's employment service announced to night, in its monthly survey of the unemployed. The decrease for last month as compared with January was estimated at 16,295.

No attempt was made to estimate the size of the nation's army of jobless workers, but its figures showed that 1,423 firms in the 45 principal industrial centers of the country had in their employ on February 28, a total of 1,926,958 workers, as compared with 1,943,253 on January 31, a net decrease of 16,295.

Reporters show decided increases in the number employed in the manufacture of automobiles and in the textile, leather and rubber products amounting to 18.8, 8.5 and 7.7 per cent, respectively. These increases, however, were offset by decreases of 7.3 per cent in the iron and steel industries, 6.6 per cent in railroad repair shops, 6 per cent in chemical plants, and 5.7 in producers of liquor and beverages.

Denver, Colo., with a decrease of 24.3 per cent on the basis of the service's reports, led the 45 cities in which the number of employed was less at the end of February than at the close of January. On the same percentage basis Youngstown, Ohio, Indianapolis and San Francisco and Grand Rapids, Mich., followed in the order named.

Shows Greatest Increase
The percentage of employed showed the greatest increase in Chattanooga, Tenn., amounting to 67.6 over January. Detroit's percentage of increased employed in that city at the close of February amounted to 34.7 per cent over the end of January. Other cities showing heavily increased percentage of employed included Peoria, Ill.

MISSING WOMAN FOUND AT HOTEL
(By The Associated Press)
DUBUQUE, Iowa, March 15.—The mystery surrounding the disappearance from her home in Chicago Saturday of Mrs. Clifford Victor Herbert, daughter-in-law of Victor Herbert, the composer, was cleared up today when Mrs. Herbert was found at a local hotel.

According to her explanation Mrs. Herbert received a message from Mrs. "Buddie" Walton, a vaudeville performer appearing at a local theater saying the latter was ill. Mrs. Herbert immediately wrote a note explaining her departure to her husband and left for Dubuque. The note, she said, had probably been inadvertently destroyed by a maid.

PRESIDENT WOULD HAVE UNKNOWN SOLDIER BURIED
Washington, March 16.—President Harding has expressed a desire that the body of one unknown American soldier be buried with fitting honors at Arlington National cemetery, next Armistice Day, it was learned today at the war department.

The president is arranging to take part in the exercises, it was said.

The department probably will recommend to congress that a congressional medal of honor be awarded to the unknown soldier.

BODIES OF AMERICAN SOLDIERS ARE RECEIVED
New York, March 16.—The bodies of 1,609 American soldiers who died on French battlefields, were formally received today by their comrades who had returned.

A ceremony of welcome, dignified by the military ritual for the dead was held at the army transport docks, Hoboken, where the bodies were landed from the Transport Somme.

SPEAKERS FOR TENANTS' LEAGUE SCORE LANDLORDS

Appear Before Legislative Committees at Springfield

ALTON PRESIDENT TAKES SHOT AT LANDLORDS

(By The Associated Press)
SPRINGFIELD, Ill., March 16.—Speakers for the Chicago Tenants' Protective League were merciless in their condemnation of "rent gouging" landlords before the senate public utilities committee in a hearing late today on the Kessler enabling act, giving Illinois cities power to create rental commissions.

The hearing lasted over three hours and adjourned in confusion after Representative Sidney Lyons, a member of the house committee on municipalities present at the hearing attempted to get thru a motion for a night meeting for the purpose of hearing members of the Chicago Real Estate Board on the issue.

Senator John D. Turnbull of Mount Carroll, chairman of the senate committee refused to accept a motion of any kind for any but a member of the senate committee. After the senate committee adjourned, Representative F. J. Bippus, chairman of the house municipalities committee adjourned that body upon motion of Representative Church.

Senator John D. Turnbull of Mount Carroll, chairman of the senate committee refused to accept a motion of any kind for any but a member of the senate committee. After the senate committee adjourned, Representative F. J. Bippus, chairman of the house municipalities committee adjourned that body upon motion of Representative Church.

Many tenants, placing various interpretations upon the confusion of adjournment shouted their disapproval over bringing the hearing to an end.

Bierd Prods Landlords.
After Senator Kessler explained the purposes of his bill the first speaker was W. G. Bierd, president of the Chicago and Alton railroad who declared that house rent is the "monkey wrench that has been thrown into the machinery of re-adjustment and the downward trend of living costs."

Wages and railroad fares must be reduced, he said in the re-adjustment.

"Landlords who do not decrease their rents and join this downward trend are profiteers," he declared.

Other speakers were J. R. Patterson, president and A. E. Jessen, secretary of the Tenant's League, Alderman Robert Mulcahy and W. P. Dodd, the latter secretary of the Lowdown housing commission.

Mr. Patterson referred to Illinois as a "landlord ridden state" and asked a dozen tenants present to give the figures of their increases which their landlords have exacted. Some of these reached as high as 133 per cent, the greater part of the increase being made within the last year, he said.

The "rent profiteer" was pictured in caricature and denounced in cutting epigrams on banners carried by some of the tenants who packed the galleries and cheered each speaker's attack on the rent hog.

WANDERER TALKS WITH WIFE'S SPIRIT
Chicago, March 16.—Every night since he killed his wife and their unborn child last June, Carl Wanderer has talked with her spirit, according to testimony today of Dr. Harold D. Singer, state alienist, at Wanderer's trial on charges of murdering the "ragged stranger."

Dr. Singer said Wanderer had told him that Mrs. Wanderer had come to him nightly in her wedding gown and holding a child in her arms. The doctor said he considered Wanderer sane and sane and honest of all persons seeking to enter the profession, his members said. John B. Taylor, former superintendent of police at Philadelphia, was elected president of the association.

NEW POSTMASTER GENERAL ASKS FOR HELP OF EMPLOYEES

Says That Administration Wants Employees as Partners

DEPARTMENT NOT FOR PROFIT OR POLITICS

(By The Associated Press)
WASHINGTON, March 16.—Views of postal employees on broad questions of policy affecting the personnel of the service were presented to Postmaster General Hays today at a conference with national representatives of organized postal employees.

The postmaster general at whose invitation the conference was held, expressed the hope that frequent meetings might be held to facilitate adjustments of all differences. "The battle is won in the heart of the soldier," said Mr. Hays, "Three hundred thousand men are engaged in this enterprise and we are going to have 300,000 partners. The post-office department is not an institution for profit or politics; it is an institution for service and it is the president's purpose that every fort shall be made to improve that service."

In a notice issued by the postmaster general today he urged upon all postmasters the desirability of seeking "constructive criticism and inviting legitimate complaints of inadequate service," to the end of improving the service wherever possible.

PREMIER BRIAND TELLS CHAMBER OF WORK DONE

Soldiers Stay in Germany Until Reparations are Settled

SOCIALIST CRIES LONG LIVE UNITED STATES

(By The Associated Press)
PARIS, March 16.—(By The A. P.)—In the chamber of deputies today Premier Briand summarized the work of the London conference and the whole house, with the exception of the socialists and communists, applauded enthusiastically.

The deputies particularly favored the premier's vigorous declaration that Germany must pay, not only from profits but from her assets, and for his reference to the big German industries that no longer published their balance sheets because their profits were "scandalous."

"Our soldiers are at Duesseldorf, Duisburg and Ruhrort, with cannon trained on Essen, show them something," the premier exclaimed.

M. Briand said the chamber had asked him to maintain a united front by the allies and he had done so. At this point a voice from the socialist benches cried:

"Long live the United States!"

Regarding the duration of the occupation of the new territories B. Briand declared the soldiers would remain where they were until the questions of reparations, disarmament and the trial of accused German officers were definitely settled.

MEN ARE VOTING TO GO ON STRIKE

(By The Associated Press)
KANSAS CITY, Mo., March 16.—Officials of packing house unions asserted late today that the voting on strike ballots, which has taken place during the day at three of the big packing plants in Kansas City, Kans., had been almost unanimous in favor of a walkout in the event of a return to the ten hour day. About 1,500 ballots had been cast so far, they said.

The ballots were handed out at the plants without regard to union membership. Union representatives said that for the first time non-union men would be given the same voting power as union men. They contended that the principle involved entitled all to vote.

ALLEGED STATIONERS OPERATING TRUST

CHICAGO, March 16.—The federal trade commission in a report submitted to the department of justice following a protracted investigation of the stationers trade recommends that charges of operating a trust be brought against the Chicago Stationers' Association, the National Association of Stationers and all affiliated bodies.

The commission's report on the trade conditions found in stationers' activities contain charges of unfair competition, conspiracy to fix and maintain retail prices, conspiracy to fix channels of trade and to injure price cutters by circulation of false and slanderous statements.

PACKING PLANT UNIONS PLEDGE THEIR SUPPORT

Will Aid Meat Cutters and Butcher Workers in Wage Fight

WORKERS SAY THEY ARE READY TO ARBITRATE

(By The Associated Press)
CHICAGO, March 16.—International officers of every packing plant union under the American Federation of Labor today pledged their organizations to go to any extent in support of the Amalgamated Order of Meat Cutters and Butcher Workers in its dealings with the packers over wages and working hours.

A resolution adopted at a conference of the officials today pledged "full moral and financial support" and the officials announced that they had agreed verbally to go to the extent of calling a sympathetic strike, provided the meat cutters walked out and their own organizations authorized strikes. It was also decided to place the matter before Samuel Gompers at a conference of presidents of the eleven allied unions to be held in Washington Sunday.

Dennis Lane, secretary of the meat cutters' organization and Redmon S. Brennan of Kansas City, its attorney were chosen to represent the workers at the conference with Secretary of Labor Davis in Washington Monday.

It was decided that the labor representatives should insist at the conference that the packers live up to the arbitration agreement reached during the war and recently terminated by the packers. Mr. Brennan and Mr. Lane were instructed that on this point there could be no weakening.

Ready to Arbitrate.
The stock yard workers, it was decided would arbitrate anything at anytime but would not consent to a violation of this agreement.

A resolution calling on Secretaries Hoover, Wallace and Davis to insist on the carrying out of this agreement also was adopted.

Until the conference Monday the workers will take no action it was decided. The workers wish to go into Monday's conference it was said with a record of having lived up to their agreements and of not having taken any steps which might be construed as a violation of the rulings made by Judge Alschuler when he was federal arbitrator of the packing plant labor disputes.

Labor officials said that the complete vote on the strike question would be in before Monday and that if the packers did not agree at the conference to restore the old agreement, an immediate strike would be called probably to take effect before the end of next week.

At the local packing plants the situation was reported normal.

At Armour & Co., the twenty four labor representatives elected yesterday met today with 24 representatives of the employers to confer on the employee representation plan announced Monday. In reply to a statement per Armour & Co., that seventy per cent of the eligible men voted in yesterday's election Dennis Lane today declared that their reports showed that less than 30 per cent cast ballots.

ARMY TRANSPORT ARRIVES IN PORT

NEW YORK, March 16.—The army transport Madawaska which was badly damaged last night in a collision with the cargo ship Inevitable 20 miles northeast of Atlantic City arrived here tonight and docked at the army pier in Hoboken. The Madawaska was accompanied by a tug and a coast guard cutter.

A large hole in No. 1 hold beneath the water line of the Madawaska and damage to scores of steel plates will necessitate her being laid up for repairs in the Brooklyn navy yards for several weeks. Both passengers and crew escaped injury.

ARMENIAN CRIME WAS ACT OF VENGEANCE

Berlin, March 16.—Solomon Teillardian, the Armenian who yesterday assassinated Talaat Pasha, former grand vizier of Turkey, today told police he committed the crime as an act of vengeance because of Talaat's persecution of the Armenian people and especially for the murder of Teillardian's parents who, he asserted, were taken from their home by order of the former grand vizier and put to a horrible death.

EAMONN DE VALERA IS INTERVIEWED BY A. P. CORRESPONDENT

President of Irish Republic Talks Bitterly of English Government's Lack of Principle—He Says Irish Question is Not Religious One—Try to Play Upon Human Weakness

(By The Associated Press)

DUBLIN, March 16.—Eamonn de Valera, leader of the Republicans and president of the Irish republic, gave an interview today to The Associated Press correspondent. This is the first interview he has accorded to any newspaper representative since his return from the United States to Ireland.

If any proof of the extraordinary precautions taken by his devoted followers to insure his protection were needed, it was afforded by the extreme care taken in escorting the correspondent to and from the presence of the Irish leader. For an hour after leaving Mr. de Valera, the correspondent was under the closet surveillance not only from his escort, but as it seemed, from everybody in Dublin.

In the course of the conversation, which lasted three quarters of an hour, Mr. de Valera fold of the impressions he had brought back from America, and remarked:

Is Not Religious Question.
The saddest thing there to me was to see the Irish question treated by so many people as if it were a religious wrangle. It is not a religious question, even insofar as the differences here between the north and south are concerned."

He spoke bitterly of the English government's lack of principle and statesmanship.

"England," he said, "is trying to win by playing on human weakness. That it does not realize it, England is playing not on the weakest but the strongest quality of the Irish people—their spiritual quality. The young men of Ireland are saying to themselves: 'at best the span of life is only seventy years. We must all die; so why not now in circumstances like these?'"

The Irish leader is in excellent health. He looks extremely fit and conveys the impression of being free from any sense of personal danger.

The volunteer who conducted the correspondents to Mr. de Valera's residence said that, despite the protests of his friends, de Valera persists in working strenuously daily from 7 o'clock in the morning until 11 at night. The intensity of his concentration was shown today by the fervor of his expression of the Irish cause and its righteousness, and his declaration that Ireland is keeping alive the flame of the high principles for which the late war was fought.

MANY WIRES CUT THRUOUT IRELAND
DUBLIN, March 15.—Telephone and telegraph wires were cut on an extensive scale during the last 24 hours, causing the suggestion to be made that some movement on a large scale was being arranged. Linemen were held up as they left the central offices and their equipment taken to prevent them making repairs.

The killing of Kenneth, county Longford was shot dead today. A card with the words shot by the "Irish Republican army for spying" was attached to the body.

A constable was shot dead in North Kerry and a woman into whose house the body was taken died of shock.

RECEIVERS NAMED FOR IMPORTERS
New York, March 16.—Judge Julius M. Mayer of the federal district court late today named receivers for Gaston, Williams and Wigmore, exporters and importers, of this city. The liabilities of the firm were given as approximately \$3,000,000. The receivers are former Governor Benjamin Odell and former Judge Van Vechten Veeder.

Mayor Thompson is not afraid of a referendum of various questions in connection with his 5 cent street car plan. The Chicago mayor has been so successful in election events that his willingness to refer questions to the public is not surprising.

Theda Bara, queen of the movie vamps, says that the ascendancy of the vamp in the screen world is declining. That can be taken as an indication of improvement in the public taste. Possibly the "vamp" plays have been so overdone that the reaction has set in.

Every little while articles of incorporation are filed for some motor transit company. With the further development of the hard roads program there will be still other companies doing freight and passenger business. Looking in to the future it is not difficult to

understand that in the course of time this very matter of good highways will have its effect upon the business of the railroads, and will bring increasing problems to railroad management. The automobile has had a very decided effect upon street railway business and when hard roads connect the different states there is no question but that a large amount of business now handled by the railroads will be diverted to motor lines.

Quite frequently there are stories that the days of prohibition have increased drunkenness. These people who would have it so argue that in many instances prohibition creates the desire for liquor and that the bootlegger entices many who would not otherwise be subject to temptation. Nevertheless, only Chicago home for the treatment of inebriates is just about to go out of business. The average number of cases treated during a ten year period ending in 1919 was 921, while the record for 1920 was 125.

THE GOOD RECORD OF STATE CONSTABULARIES

A poll taken among farmers shows quite a division of opinion on the question of a constabulary force for Illinois. Organized labor is opposed to the measure now pending and just what action the legislature will take cannot be forecast with confidence. If experience in states where constabulary forces are now maintained count, such a measure would certainly bring good results in Illinois.

The New York Times recently

had this to say in writing about the state constabulary plan: "In every state where a constabulary has been organized it has distinguished itself by zeal and fearlessness in the discharge of its duties. It has lived down prejudice and come to be thought of as a blessing. The original model was that sturdy corps of heroic guardians of the peace, the Northwest Mounted Police, of Canada, around which a literature has grown up. It may have equals, but can never have a superior. The record of the Pennsylvania constabulary is one for the Keystone State to be proud of, and all America has heard of Major George F. Chandler's New York State police, who can be summoned thru "Central" and whose "territorial limits are the boundaries of the commonwealth." The advocates of a constabulary in Massachusetts have had much to say about the usefulness of the New York force. One state constabulary invokes another. The day is not far distant when every commonwealth will have its rural police. Trusting to human nature when there are no patrolmen about doesn't pay."

WILLING TO CONSULT

There may have been times when the secretary of labor has called upon the secretaries of commerce and agriculture to discuss with him problems referred to his department, and especially related to public welfare, but we do not recall the instance. While there may not be precedents, certainly the statement that Secretary Davis of the labor department has asked Secretary Hoover and Secretary Wallace to meet with him the representatives of the packers and their employees has the sound of a sincere purpose to get the best judgment available on these important questions.

Just now the dispute between the packers and their employees has such importance in its relationship to other industrial problems that the question is one of vital interest to the public.

FIREMEN WILL MEET IN ROCKFORD NEXT YEAR

Springfield, Ill., March 16.—The executive committee of the Illinois Firemen's Association in session here this morning voted to hold their next convention, January 1922 at Rockford. The choice was made over Charleston, the other city seeking the meeting. Preliminary plans for the next firemen's tournament were also discussed. The president, Simon Kellerman of Edwardsville, announced it would likely be held at the state fair in August.

NEW CORPORATIONS GRANTED CHARTERS

Springfield, Ill., March 16.—Incorporation papers issued today by the secretary of state included charters to the Joliet Macaroni company, capitalized at \$50,000. The Rockford Typewriter Service company, Rockford, capitalized at \$25,000. Lockwood Glass company, Ottawa, capitalized at \$200,000. The Rockford Machinery Exchange, Rockford, capitalized at \$50,000.

DIVORCE SUIT FILED

In the office of Circuit Clerk Wamamaker, yesterday Mrs. Olive Lawson filed a suit for divorce from her husband, Calvin Lawson. The complainant made a statutory charge against her husband, and it is also charged that within recent weeks he has left her home. The bill also recites that Mr. and Mrs. Lawson have been living on the wife's farm and that when a public sale was held recently Mr. Lawson appropriated the proceeds to his own account. The complainant is represented by James O. Priest as attorney.

MR. WILSON HEARD IN FINE ADDRESS

Former Mayor of Berkeley, Calif., Discussed Some After-the-War Problems Before Student Audience.

Students of Illinois College and others who were privileged to hear the address of J. Stitt Wilson, former mayor of Berkeley, Calif., at Illinois College, yesterday morning, found it intensely interesting. Mr. Wilson is here for a series of four addresses, under the auspices of the Illinois College Y. M. C. A. Yesterday morning he discussed some of the great issues which are the result of the World War, and for which there must eventually be satisfactory settlement.

Not a few of these problems are spiritual, and the address from Mr. Wilson is a student of world events and sees present day problems in their correct relationships. A second address will be given at the chapel hour this morning.

THIS IS THE TIME TO SPRAY.

It is important, at this time of year, when we are planning spring spraying demonstrations for scale control, that we know the difference between the three scales most commonly found on fruit trees in Illinois.

The San Jose scale is by far the most destructive. A badly infested tree appears much as if it were sprinkled with water and then dusted lightly with wood ashes. The individual scales are rounded, with a raised or nipple-like elevation in the center, and are sooty gray in color. Under a hand lens they have much the appearance of little mountains, or more truly, minute volcanoes. The raised cone in the center is about the same color as the rest of the scale. This insect passes the winter as a partly grown yellowish insect underneath the waxy scale.

The next most injurious scale which is common in Illinois is the oyster-shell. This scale is brown, crinkly in appearance, and in fact, is almost exactly like half of a miniature oyster shell. There are two kinds of this scale, one occurring on certain shade trees, particularly ash, poplar and lilac; the other on apple. This scale is seldom so abundant enough to be destructive south of Peoria and Galesburg.

The third of these scales is the scurfy, which is grayish white, flattened, lying close to the bark of the tree, and somewhat triangular in outline with a rounded base. If this scale is carefully raised with the point of a pin, a number of very minute, brilliant red, eggs will be seen. This is the least injurious scale of the three.

The San Jose scale can best be controlled by spraying up to about the middle of April, using either the commercial liquid lime sulfur, (testing 33 Baume) adding one gallon to eight gallons of water, or the dry lime sulfur at a strength of at least 15 pounds to 50 gallons of water. The egg oyster shell and scurfy scales, both of which pass the winter in the egg stage, are more difficult to control. Fairly satisfactory control may be had by spraying with the same strength lime sulfur as used for the San Jose scale—W. P. Flint, State Entomologist's Office.

PARK HOTEL PASSES TO NEW OWNERSHIP

Mrs. Bessie Davenport Buys Historic Building From Alexander Smith Estate—Will Make Some Improvements.

Mrs. Bessie Davenport has recently become the owner of the Park hotel property, at the corner of North Main street and the public square. Negotiations have been under way for some time and were recently concluded with Dr. F. M. Rule, who is the executor of the Alexander Smith estate, the hotel being a part of the property of the late Captain Alexander Smith.

Mrs. Davenport has been in possession of the hotel part of the building for the past three years and in a quiet way has conducted a successful business there. About a year ago a cafe was opened in the old hotel dining room, and residents of the hotel and the public generally are served meals or lunches. It is the intention of the new owner to now operate the cafe in the southeast ground floor room of the building and accordingly Davids Keating, who has long been the tenant, has been notified to surrender possession about April 1.

There are 32 sleeping rooms in the Park hotel property. In addition to office and large dining room. Within the past year a great deal of plastering and papering has been done and the property is now in much better condition than was formerly true. The hotel room had been unoccupied for a four-year period prior to Mrs. Davenport's tenure. It is understood that the other tenants of the building, there being two on the square and several on North Main street, will not be disturbed. Mr. Keating, whose restaurant room is to be used for the hotel cafe, has been a tenant in that location for fourteen years. He said last night that he had not yet secured another location and that his plans were therefore not matured.

Many years ago the Park hotel was the best equipped hostelry in Jacksonville and its popularity continued thru a long period of years. Only the older residents of Jacksonville can remember when it was established, and it passed thru a series of ownerships and tenancies. One of the long time lessees was George Paul, now living on Webster avenue. Mr. Paul was the proprietor of the Park for a great many years and did not retire until about 1890.

Mrs. Davenport said yesterday that she expected to make further improvements in the property as speedily as price conditions make this possible.

PLATE GLASS WINDOW BROKEN

Just about 1:30 o'clock this morning one of the heavy plate glass windows in the floral establishment of Heintz & Sons on West State street was broken. Several persons heard the sound of shattering glass but five or ten minutes elapsed before the source of the sound was located. The lower half of the window glass is literally shattered. Men from the police department were soon at the store room, but could find no evidence as to how or by whom the glass was broken.

PURVINES THOUGHT TO BE OUT OF DANGER

Former Jacksonville Man Was Stabbed in Altercation Over Bill at First Feared He Would Die.

Ashland, March 16.—Dr. James Purvines, who was stabbed Tuesday by Samuel Jones following an altercation over a bill said to have amounted to \$5 was thought to be out of danger tonight, unless complications set in.

For a time it was thought that Purvines would succumb to his injuries but now his physician believes he will recover, though as yet he cannot be moved from the physician's office.

Purvines is a former resident of Jacksonville having been associated with Dr. Thomas Willerton. Upon leaving Jacksonville he took up the practice of his profession in Ashland.

GRACE SUNDAY SCHOOL MONTHLY BOARD MEETING

The regular monthly meeting of the Grace church Sunday school board was held in the church parlors last night. A supper was served to about forty five people by the ladies of the Mary and Martha class taught by Mrs. Nelson.

Rev. D. V. Gowdy of Centenary church addressed the workers immediately following the supper. His address was very helpful and was thoroughly enjoyed by all. Following the address, business relating to the work of the school was taken up.

The reports were very encouraging, the school showed a very substantial gain in attendance each Sunday of the past month over the corresponding month of a year ago. Next Sunday will be "Dad's" Day in the school, when every man related to Grace church is expected to attend Sunday school. Every man that is a Dad or the son of a Dad is urged to co-operate. Plans are developing for a great self denial Easter offering.

Will Rheumatism Again Bind You Hand and Foot?

There are thousands of victims self from its domination, who of rheumatism who dread the approach of damp, wintry weather, for it means to them a return of the pangs of Rheumatism.

If you had rheumatism last year and treated only the pains of the disease by rubbing with liniments and lotions, you can be sure that soon again you will be in the shackles of this relentless foe. You may get some slight temporary relief from the pains of the disease by the use of these local remedies, but Rheumatism is too real and relentless a disease to be rubbed away.

If you wish to break the shackles of the disease, and free yourself from its domination, you must treat the source of the disease. So many cases of Rheumatism come from a tiny germ in the blood, that you should try a remedy that has proven so thoroughly satisfactory in these cases. S. Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pain, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "lumpy" and "heavy." Note how they clear clouded brain and perk up the spirits. 15c and 50c a box.

DRESSMAKER MADE WELL

Followed a Neighbor's Advice and Took Lydia E. Pinkham's Vegetable Compound

Vernon, Tex.—"For three years I suffered untold agony each month with pains in my sides. I found only temporary relief in doctor's medicine or anything else I took until my husband saw an advertisement of Lydia E. Pinkham's Vegetable Compound. I mentioned it to a neighbor and she told me she had taken it with good results and advised me to try it. I was then in bed part of the time and my doctor said I would have to be operated on, but I decided to try the Vegetable Compound and I also used Lydia E. Pinkham's Sanative Wash. I am a dressmaker and am now able to go about my work and do my housework easily. You are welcome to use this letter as a testimonial as I am very glad to speak a word for your medicine."—Mrs. W. M. WHITE SOX BOSS HAS CANCELLED ALL CONTRACTS
NOTIFIES SEVEN PLAYERS WHO WERE SUSPENDED YESTER SEPTEMBER
CUTS HIMSELF LOOSE FROM FORTUNE

(By The Associated Press)
CHICAGO, March 16.—Charles Comiskey, president of the Chicago American League baseball club today has severed all relations with seven White Sox players connected with the 1919 world series scandal.
In a communication addressed to the seven players Comiskey today notified them that as a result of the gambling probe all contracts between them and the club are to be considered null and void.
The players, formerly under suspension from the club, have now had their connections therewith permanently eliminated. Those to whom the notice was directed are: Charles Rishberg, Fred McMullen, Joe Jackson, Oscar Felsch, George Weaver, C. B. Williams and E. V. Cicotte.
The communication follows: "On or about September 26, 1920, you were notified of your indefinite suspension as a member of the Chicago American League Baseball Club. As you were then notified your suspension was brought about by information which came to the undersigned directly involving you in the baseball scandal concerning the world series of 1919. Additional information has confirmed the belief that your actions have been detrimental to the reputation of the club and entirely inconsistent with your obligations to it.

MAKING OVERTURES TO FORT DEFENDERS

LONDON, March 16.—Leon Trotsky, soviet minister of war is reported in a dispatch from Stockholm to be making new overtures for the capitulation of the Kronstadt fortress. Altho it has been reported that he purposed sending an ultimatum to Kronstadt that if the fortress remained obdurate it would be stormed and razed, his terms would not require capitulation, but the signing of an immediate armistice and the assembling of a mixed commission to settle terms for a peaceful agreement. According to the dispatch, those holding the fortress are decidedly against dealing with the communists.

STATE POLICE BILL IS REPORTED OUT

SPRINGFIELD, Ill., March 16.—The Dunlap-Castle State police bill was reported out favorably by the senate committee on community welfare today following a hearing on the measure. The vote was nine to nothing. The bill was defended by S. H. Thompson, chairman of the legislative committee of the Illinois state agricultural association; M. A. Graetinger, secretary of the Illinois Bankers' association; and C. W. H. Schuch, chairman of the legislative committee of the Illinois Chamber of Commerce.
Angus W. Kerr, labor attorney and John M. Glenn, secretary of the Illinois Manufacturers' association, appeared against the measure. Mr. Glenn opposed it because of the clause preventing the state police from interfering in strikes.

GREAT BRITAIN DOES NOT WANT DEBT CANCELED

CHICAGO, March 16.—Great Britain has no desire to allow the United States to cancel the Anglo-American war debt, according to Sir Arthur Stel-Maitland, M. "We prefer to pay our debts," he said. "Great Britain is able to pay her debts. Mutual respect does not come from begging favors."

ENGLAND READY TO TALK DISARMAMENT

LONDON, March 16.—Baron Lee of Fareham, first lord of the admiralty, discussing naval matters at a meeting of naval architects today referred to the question of disarmament. He said the only question was who would initiate the discussion but on this point the British government would not stand on ceremony.
The government, he declared, welcomed the hint thrown out by President Harding in his inaugural address and the suggestion would meet with cordial and helpful response here.

LANDIS GRANTS GOVERNMENT'S PETITION

Freeport, Ill., March 16.—Federal Judge K. M. Landis, today granted the government's petition to file amended bills in six condemnation suits brought against owners of portions of land upon which Camp Grant is situated. Government representatives had been unable to reach an agreement with the defendants on the price of the land.
It is understood the amended bills will include several additional defendants of whose interest in the land the government had no interest until recently. The cases are expected to come to trial here on April 8.

YOUNG AND MILLARD FOR STATE TOURNAMENT

IOWA SHERIFF HOLDS STRIKERS AT BAY

By Associated Press.
DES MOINES, Iowa, March 16.—With drawn revolver, Sheriff W. E. Robb held at bay strike sympathizers who attempted to harass an automobile load of strike breakers leaving the Green Foundry Works today.
The strike sympathizers picketed outside the foundry greeted the automobiles carrying the strike breakers with cries of "scabs," "rats" and "gunmen" as they came out of the foundry yard. The guard of police and sheriffs followed. When several pickets jumped on the running board of the first car Sheriff Robb drew his gun and threatened any man who attempted violence.

PRESIDENT HARDING RECALIBERS LETTER

New York, March 16.—President Harding, in a letter written to him by Seamen Unions' representatives here today, was requested to make one of the seven new members of the shipping board as "fairly representative of the men who man the American Merchant Marine and upon the character of whose work depends its success and that of everyone connected with it."
No names were suggested in the letter the signers setting forth they were interested "in the principles and not in personalities."

HENS IN NATION-WIDE EGG LAYING CONTEST

Lincoln, Neb.—By The A. P.—The hens in the nation-wide egg laying contest conducted by the Nebraska college of agriculture are refusing to join in the customary winter strike. Twenty-three of them laid 23 or more eggs during December; one laid 27 eggs and four laid 26 eggs. During November and December, the first two months of the present contest, one hen laid a total of 50 eggs, and ten laid 39 or more eggs each.
Among the twenty-three high layers during December were the following breeds: seven White Leghorns, four White Wyandottes, four White Orpingtons, two White Rocks, two Barred Rocks, one Rhode Island Red and three Buff Orpingtons. The highest layer and the second highest layer were White Orpingtons.
Six hundred hens, representing breeders in nine states are entered in the contest, the purpose of which is to encourage the breeding of better laying strains of poultry.

RUM MADE GOOD EMBALMING FLUID

Tuscaloosa, Ala.—(By The A. P.)—The olden days when rum was considered the very perfection of embalming fluids were brought forcibly to mind here recently with the falling into decay of the vault or mausoleum of Charles H. Patterson and his wife.
Patterson, a highly respected hotel proprietor, died in 1847 and his wife in 1867. Both bodies were enclosed in leaden caskets filled with rum and hermetically sealed before being placed into the vault, which was built on the top of the ground.
Altho the ravages of the elements had obliterated the brick walls of the vault the caskets were found to be in a perfect state of preservation.
Embalmers say there is no doubt that the bodies of the Pattersons remain perfectly preserved.

POSTMASTER FOR FIFTY TWO YEARS

Raleigh, N. C.—(By The A. P.)—Fifty-two years of continuous service as Postmaster at South Creek, Beaufort county, North Carolina, without a mark against him, is the record of E. D. Springer. His record is exceeded by one other Postmaster in the United States, R. J. Knorr of Clausville, Lehigh county, Pennsylvania, who was appointed November 13, 1856.

STRONG MATERIAL FOR TRACK AT ILLINOIS U.

Gill Has Exceptional Distance Runners This Year — Expects To Take Big Ten Conference Indoor Meet.

Urbana, Ill., March 16.—Coach Harry Gill's track speedsters should make a strong bid for the Eleventh Annual Intercollegiate conference in door track and field meet which will be held at the University of Illinois, Northwestern University March 18 and 19. Last year the Illinois speedsters walked away with the indoor classic, piling up a total of 35 points. This year's team is stronger and is one of the best balanced aggregations that has ever represented Illinois. With the exception of one event, the pole vault, the Illinois athletes should score points in every event. Gill has the best collection of distance men that has ever run under the colors of one school in the conference. Four of his milers have done the distance under four minutes and 25 seconds, while two others can do around four minutes and 30 seconds. In Yates and Wharton, Gill has two men who are capable of running two long races the same day and still have plenty of speed left. Wharton recently clipped off 11 seconds from the mile record that has stood for several years.
In the weight events Weiss and Cannon look to be the class of the conference shot putters and should score heavily in this event. The big shot putters have been getting the iron ball out well over 42 feet and will do better under competition.
Alberts and Osborne should win the high jump with little trouble, as their marks made in competition are much better than those of the intercollegiate record of six feet and two one-half inches, now held by Johnson, of Michigan.

WOMAN'S CHAMPION MEETS WORTHY FOE

By Associated Press.
Boston, March 16.—Mrs. Franklin I. Mallory of New York, nearly met her match today in the Woman's National Indoor Tennis championship when she took the court against Miss Edith Sigourney, of this city.
Mrs. Mallory won, but her opponent took the first set and was leading in the third, three to one when she seemed to tire, as a result of which the former champion took five straight games and the match.
The scores were 3-6, 6-0, 6-13.

but may meet a tartar in the speedy Orange and Blue sprinter. Wisconsin and Michigan are expected to furnish Gill's men with plenty of opposition as both schools have strong, well balanced teams. The Ann Arbor spike shoes scurs will score heavily in the dashes and pole vault, while Tom Jones's men are liable to make points in nearly all the races.
Illini track enthusiasts are watching the teams work with great interest and are hoping that Coach Gill will take some of his crack relay runners east to the Penn games.

FAVORS LOAN FOR BUILDING PURPOSES

New York, March 16.—A state loan of \$100,000,000 for state wide home building purposes is urged in an emergency housing relief plan made public today by Nathan Hirsch, former chairman of Mayor Hylan's housing committee. The plan is sponsored by Health Commissioner Copeland, Samuel Gompers and labor leaders representing 750,000 citizens of Greater New York.

ACQUITTAL ORDERED BY COURT OF ONE MATEWAN DEFENDANT

Judge Bailey Instructs Jury
to Acquit J. C. McCoy

CASE MAY GO TO JURY THURSDAY

WILLIAMSON, W. Va., March 16.—Judge R. D. Bailey, presiding at the trial of Mountaineers of which there are now only 16, charged with being implicated in the Matewan battle last May, today prepared his instructions to the jury but was unable to present them as the night session of court was occupied by arguments of counsel on the points both sides will bring out in summing up.

When court convened this

the jury to acquit J. C. McCoy, one of the seventeen defendants. Captain S. B. Avis of the prosecution had previously stated, altho testimony had been admitted that McCoy had been seen to leave his home on the Kentucky side of the river with a rifle on the day of the battle and make his way toward Matewan nobody had seen him engaged in the fight in which ten men were killed.

Jury removed from Room. The jury was removed from the court room during the night session when the arguments were taken up. The defense objected to many points mentioned by counsel for the prosecution.

One point presented by the state was to the effect that if A. C. Felts killed Mayor C. C. Testerman in the fight no one was justified in shooting the former. Defense counsel objected to this point on the ground that it was vicious.

Both Felts and Testerman met death and numerous defense witnesses testified that the Baldwin man killed the mayor. The state objected to a defense point in which it was claimed that a man had the right to pursue, to kill an assailant when the latter was fleeing with arms in his possession. The objections were taken under advisement by Judge Bailey.

OWNER OF BONDS WILL NOT PROSECUTE

By Associated Press. CHICAGO, March 16.—Marcus Bateman, arrested yesterday when he tried to dispose of \$10,000 worth of bonds, part of a \$50,000 lot said by the police to have been stolen from John H. Finn, a Cincinnati whiskey dealer, was released tonight following refusal by the owner of the securities to prosecute.

When first arrested, Bateman told police he had won the bonds in a poker game at Louisville. Today after turning over to the police the key to a safety deposit box which contained the remainder of the bonds, Bateman said he found them in a telephone booth in Cincinnati.

FIREMEN GRANTED INCREASED WAGES

Chicago, March 16.—Firemen on locomotives weighing from 250,000 to 300,000 pounds were granted the proportionate increase in pay allowed by decision No. 2, the wage award of July, 1920, in a decision of the railroad labor board today. The dispute was presented by the Firemen's Union against the Southern Railway, and the board ruled that the increase of 1.4 cents per mile increase granted by decision No. 2 should be added to the rate of 5.37 cents established by the Kane commission's award under its general order No. 27.

MANY ANGLES ARE FOUND BY OFFICIALS IN LOVETT MURDER

Believe Plot Existed to Defraud Insurance Companies

BECKER BEING HELD IN COUNTY JAIL

WARSAW, Ind., March 16.—Development today in the investigation of the murder Saturday of LeRoy Lovett, 19-year-old Elkhart youth seemingly increased the tangle of evidence and the mystery tonight apparently was for from solution. In their endeavor to unravel the tangled skein of evidence authorities have returned a new angle almost every hour each opening up a new possibility.

Authorities state they have evidence pointing to Virgil Decker who today was formally charged with the murder of Lovett as the one who committed the crime. The question baffling them, they say is that of conspiracy which they believe to have existed to defraud insurance companies out of large amounts of money.

Prosecutor Graham said he believed Lovett was killed so other persons could claim large amounts of insurance. Virgil Decker carried after having identified Lovett's body as that of Decker.

Decker Now in Jail. Virgil Decker is now in the Kosciusko county jail having been brought from Marion, Ind., where he was captured Tuesday evening. He was subjected to a severe grilling when he was placed in the jail here, but stoutly maintained his innocence.

After Decker was placed in his cell he was stripped of his clothing to see if he had a rose and dagger tattoo mark on his left arm, Decker, however, had no tattoo marks altho it had been asserted he had such a tattoo mark on his arm and two weeks ago had induced Lovett to have a similar insignia placed on his left forearm so that it might serve as identification mark and aid in carrying a plan out to pass Lovett's body as that of Decker and collect the insurance which Decker carried.

With this theory swept away, officers say they lost what was expected to be a strong link in the chain of evidence pointing to a conspiracy.

Arthur Decker, 15-year-old brother of Virgil, who disappeared during the inquest without testifying, was arrested and brought here from Elkhart, Ind. He is being held.

STEAL VALUABLE SILKS FROM NORTHWESTERN TRAIN

Council Bluffs, Iowa, March 16.—The special agent of the American Express company here today reported the theft of valuable silks from a car on a Northwestern train, the theft being made between Denison and Council Bluffs. No estimate was placed on the value of the loss, but it was intimated it was large. Three suspects are being sought.

NEW CASES AFFECT DOWN STATE CITIES

Chicago, March 16.—New cases, many of which are transportation issues, affecting downstate cities, are piling up at the Illinois Public Utilities commission this week, while the commission is meeting at Springfield. A petition has been filed by the Cincinnati, Indianapolis and Western railroad, in which permission has been asked to abandon the station at Bolivia, in Christian county.

The Central Illinois Light company has advanced rates for steam heating service in Pekin. The hearing in the controversy of the Aurora, Elgin and Chicago Railway company against the Indiana Harbor Belt Railway company, which was scheduled to be held today, was continued indefinitely. The complaining company charges that its trains are delayed by long freight trains of the belt line.

NEW YORK CENTRAL TO APPEAL TO LABOR BOARD

Cleveland, O., March 16.—The New York Central railway will appeal to the railroad labor board for a decision on proposed wage reductions of common laborers because of the refusal of representatives of this class of laborers to join with it in such an appeal, General Manager Ingalls announced today. The appeal will set forth that it has exhausted every effort to reach an agreement with the common laborers and that because of their refusal to join the company is compelled to make an exparte appeal.

MURDER JURY TO BE COMPLETED THURSDAY

Springfield, March 16.—The jury which will try Andrew Sperra charged with murder of Bob Flawberry in a soft drink saloon last December will be completed and the first evidence introduced tomorrow, according to indications tonight.

Mike Landry, who is facing twenty years in prison as a result of a jury's verdict last night said today that he is satisfied. "I could feel that rope around my neck," he said. "I didn't realize how my story sounded until I heard the state present it to the jury."

WILL HAVE GAME FOR CHAMPIONSHIP

Boston, March 16.—The executive committee of the United States Amateur Hockey association, meeting tonight, decided to initiate an agreement by which the championship hockey teams of the colleges will play the champions of the several groups of the association for the national title. As a means of making uniform the systems of play, it was voted that the association should recommend that the colleges of the United States accept man hockey.

COAL MINERS REFUSE TO ACCEPT WAGE CUT

Seattle, Wash., March 16.—Between 2,000 and 3,000 soft coal miners, employed in commercial mines of the state, were idle today as a result of their refusal to accept wage cuts averaging 23 per cent made effective by operators at midnight. Operators announced that the mines would remain closed until settlement of the controversy.

WANT MODERN FLEET FOR AUSTRALIA

London March 16.—Premier Lloyd George confirmed in the house of commons today that Admiral Viscount Jellicoe, now governor of New Zealand, in his return after his visit to Australia asked for a Far Eastern fleet of the latest type. This, Admiral Jellicoe advised, should consist of eight battleships, eight battle cruisers, ten light cruisers, forty destroyers and thirty six submarines to be provided by 1924.

DISTRICT ATTORNEY CHARGED WITH ASSAULT

By Associated Press. Los Angeles, Calif., March 16.—Thomas L. Woolwine, district attorney of Los Angeles county, was arrested in the court room of Superior Judge Willis today on a warrant charging that he assaulted Paul Schenck, an attorney, earlier in the day during the trial of a case in the same room.

Woolwine pleaded not guilty in the city police court and trial was set for next Saturday. He was cited to appear before Judge Willis Friday morning in contempt proceedings, as a result of the same affair.

Later Woolwine was arrested again on a warrant sworn to by Schenck, in which he was charged with disturbing the peace. He was released on his own recognizance.

Schenck was defending Everett Hutchings, alleged bunco man, charged with swindling J. B. Norris, of Decatur, Ill., out of \$51,000, when the clash occurred.

ANGLO-RUSSIAN TRADE AGREEMENT WILL NOT WORK

Paris March 16.—(By A. P.)—The Anglo-Russian trade agreement signed in London is regarded in French official circles as impracticable, but a sort of future investment which will partly placate the British radical element and partly enable Great Britain to have the first opportunity for trade when Russia becomes stabilized.

No such negotiations with the Russians are contemplated by France, the government being opposed to any such arrangement until Russia's old debts are recognized and propaganda eliminated.

FORMER BANK TELLER IS UNDER ARREST

FARGO, N. D., March 16.—Frank E. Heaton, former teller of the insolvent Scandinavian-American bank, admitted to officers of the bank some time ago, the officers said today, that he had caused a shortage thru savings and individual ledgers of \$43,948.27, and a further shortage of \$29,245.50. Heaton was arrested last night, charged with embezzlement. The alleged confession is embodied in a report of L. C. Reep,

receiver of the bank, made to the state banking board.

Heaton today denied that any of the charges made against him were true, saying he would be able to go into court and prove the charges false, altho, he said, he detested "undesirable publicity."

WHITE HALL VETERAN CELEBRATES BIRTHDAY

Henry H. Boggess Observes Seventy-Seventh Birthday Anniversary Tuesday—Other White Hall News Items.

White Hall, March 16.—The seventy-seventh birthday anniversary of Henry H. Boggess, a life-long resident of Carrollton and White Hall, was celebrated Tuesday by a noon dinner gathering of G. A. R. comrades at his home. The spread was provided by Mrs. Boggess with the assistance of her daughters-in-law, Mesdames Ernest Boggess and J. A. Boggess, and it was declared to be the most elaborate dinner that the old veterans have ever been seated at. Besides Mr. Boggess, there were thirteen members of the G. A. R. post present, whose ages averaged exactly 77 years, corresponding to the age of the veteran whose anniversary the occasion commemorated. They are as follows:

R. M. Winters, 83.
Dr. A. W. Foreman, 81.
Dr. G. W. Burns, 81.
Lieut. Henry Porter, 80.
W. M. Barnett, 77.
Samuel J. Rice, 77.
R. B. Winn, 77.
G. R. Adams, 76.
Henry C. Morris, 76.
Rev. J. T. Green, 74.
W. L. Wells, 74.
W. C. Baker, 73.
Aug. B. Smith, 72.

Besides the members of the immediate family, others present included Mrs. Henry Porter and Mr. B. Pease.

These birthday dinners were given regularly in former years with each recurring anniversary of an old soldier, but in the last few years Mrs. Boggess has been the only one to keep them alive, her previous soldier dinners being two years ago on Mr. Boggess' anniversary.

Addresses Woman's Club.

Mrs. Jessie Palmer librarian of the Illinois Historical Society addressed a session of the Woman's club in the auditorium of the Presbyterian church this afternoon, her subject being "Historical Illinois." There was a good attendance to hear the distinguished lady, and the session was one of the greatest interest. Mrs. Weber was the guest of Mrs. Claud Lowenstein. She is a daughter of the late John M. Palmer, and resides in Springfield, where her services in behalf of the Illinois Historical Society have made that organization probably the leading state historical body in the country. One of the directors is our former citizen, George W. Smith, of Carbondale. A musical feature of the afternoon's gathering was by a vocal quartet composed of Mrs. C. C. Brown, Misses Mildred Winn, Ruth Evans and Kate Ellis.

News Notes.
Improvement is noted in the condition of Mrs. Kate Blair, widow of the late William Blair. The aged lady is now expected to recover from her present illness with bronchial pneumonia.

Mrs. Ludwig of Louisville, Kentucky, is making an extended visit with her daughter, Mrs. Frank Myers.

It was decided to hold the annual banquet some time the coming week the date not being definitely fixed. The banquet will be served by the girls of the Domestic Science department.

LIFE OF THE FLY.

The true house flies are found in nearly all parts of the world. Ninety-five per cent of the eggs are laid upon horse manure. It often happens that the fly is abundant in localities where this is not found, and in such cases it breeds in other manure or in slops of fermenting vegetable material on the dumping grounds of towns and cities often produce flies in great numbers.

A single female fly will lay four batches of eggs in a season, each batch consisting of 120 eggs. The fermentation of the manure produces heat which hatch the eggs. The eggs usually hatch in less than 24 hours. The maggots which issue forth are very small and transparent. They grow rapidly completing the growth of the larva stage in four or five days. Just before pupation they become very restless and migrate from their breeding ground in search of a favorable place in which to pass the pupa stage.

This stage is passed in the soil and at the end of eight days the adult fly comes forth working its way upward thru the soil and upon reaching the air it crawls about while its wings expand. In a few days the female is ready to deposit eggs. In a favorable climate there is time for the development of from 10 to 12 generations every summer.

The presence of flies is a direct evidence of careless house-keeping and the existence of filth in some form about the premises. Remember that where absolute cleanliness prevails there will be no flies.

"THE MELTING POT" TO
BE READ BY MISS POWELL
Miss Janette Powell will read "The Melting Pot," by Israel Zangwill, at 8:15, Thursday evening, in Music Hall.

"The Melting Pot" is a play of popular appeal, dealing with the much discussed question of Americanism. The place the immigrant can make for himself in America and the opportunity for progress as expressed in America's freedom of action and interest are dealt with in this interesting play.

All friends of the college and Miss Powell, and those interested in expression, are cordially invited to be present.

The Original All-Record Phonograph Without Attachments

Such is The Brunswick, and part of its fame is due to this innovation. Until the coming of this noted instrument, most Phonograph owners had to be content with a one record instrument. Brunswick made this idea out of date.

There has been many attempts to equal The Brunswick, but devices and attachments never bring the desired result. The Ulfona is part of The Brunswick built, and it plays every record at its best.

Another exclusive feature is The Brunswick Tone Amplifier, built entirely of wood; it has no cast metal throat, as is usual.

Brunswick
PHONOGRAPHS AND RECORDS

This scientific Tone Amplifier, built according to acoustic laws, gives truer, richer tone. It reveals hitherto lost shadings.

Hear The Brunswick before you buy a Phonograph. Note its unequalled tone, its superb cabinet work, its many betterments. You will hardly believe all the good things they say about Brunswick's, until you see for yourself.

The great energy-food has three flavors!

Which Karo do you like best?

MANY who prefer a rather sweet syrup choose Red Karo, as it gives foods their fullest natural taste. Because it looks like honey, many like it as a spread for cakes and waffles.

Red Karo is a wonderful syrup for sweetening in cooking and baking. Karo-made cakes, cookies and raisin bread are perfectly delicious.

But as a table syrup—with a thick heavy body, that pours nicely, and yet does not soak into the breakfast cakes—you may perhaps choose Blue Karo or Green Karo. Green Karo, with its delicious maple flavor, is made with the highest grade pure maple sugar from Vermont and Canada.

The secret of nutrition in Karo

Perhaps you did not know that you cannot live long without Dextrose. Most foods you eat—such as bread, starchy vegetables, and all forms of sugar—have to be changed into Dextrose before your system can use them as energy foods. Karo is rich in pure Dextrose.

So Karo may almost be said to be a predigested food. These are scientific facts, supported by the very highest medical and food authorities.

Your Protection

Do not be deceived by cans containing syrup that might look like Karo. The name "Karo" is on every can of original Karo—look for it and be assured of full weight cans and highest quality.

VETERANS OF FOREIGN WARS AT BANQUET

State Commander Here to Explain Organization Work—Local Post Seeks Larger Membership.

There were more than 80 veterans of foreign wars in attendance at the banquet given Wednesday night, in addition to a number of guests. The banquet had been arranged by Harrison Dickson Post, of this city, in honor of E. V. Dickson of Chicago, state commander, and with the view to emphasizing the purposes of the organization.

James Barnes is commander of the Jacksonville post, and after an excellent dinner had been served at the Peacock Inn he introduced Horace H. Bancroft as toastmaster. Addresses were made by Mayor E. E. Crabtree, Mr. J. Stitt Wilson of Berkeley, Cal., and Commander Dickson.

Altogether it was a delightful program that the committee on arrangements had prepared. Before the speech making began Mrs. Gregory sang a group of songs and then responded generously to the demand for an encore number.

As the occasion had its wartime relationship Mayor Crabtree told of some of his experiences in Liberty Loan work, laying emphasis upon the results that could be obtained thru interested civilian co-operative effort during a war period. Mr. Crabtree also made brief local references, mentioning some of the problems of the average municipality of today.

The Father of a Veteran.

The program committee took advantage of the presence in the city of Mr. Wilson and he added very materially to the interest of the evening. The fortunes of war brought death to a son of Mr. Wilson, an aviator who was killed in an accident, and the fact of this bereavement had the certain effect of bringing the father into a close and understanding relationship with soldiers.

Mr. Wilson, who was formerly mayor of Berkeley, Cal., at present is engaged in special Y. M. C. A. work and it has been his privilege in the course of the past few months to address 70,000 college students.

"Patriotism" was the theme of a reading by Franklin Scott and it was exceedingly well given. The chairman referred to his special pleasure in introducing Commander E. V. Dickson of Chicago. The commander for the most part confined himself to relating some facts about the organization and its work. Veterans of the Foreign War Association came into being shortly after the Spanish-American war. It includes in its membership veterans of that conflict, others took part in the Boxer uprising in China and overseas veterans of the World War.

Visited Sick Soldiers.

A part of the present work relates to the care of disabled soldiers and a committee representing the organization keeps constantly in touch with soldiers in various hospitals. In Bloomington the commander recently visited six overseas veterans who are suffering from tuberculosis. Just now the organization is making a special drive for membership and so is seeking to have overseas men and the public get a clear understanding of its purposes.

There are in Morgan county 225 overseas men and of this number 99 hold membership in the local post. A special effort is now to be made to increase this membership and overseas men who are not already enrolled are asked to communicate with W. A. Scott, 830 Grove street. The occasion last night was one both to emphasize the lessons of patriotism and to point to the benefit for the overseas veterans in organization.

Miss Eleanor Anthony, a great-niece of Susan B. Anthony and the daughter of Representative and Mrs. Daniel R. Anthony, of Kansas, has returned to Washington after a four months' visit to Pekin, China. True to the tradition of her great aunt, Miss Anthony has been an ardent worker in the cause of equal suffrage and she took a prominent part in unswerving exercises of the suffrage memorial at the capital last month.

MATRIMONIAL

Juniper-Zirkle.

Joseph Juniper of Normal and Miss Ina Zirkle of this city were married at Central Christian church parsonage at 4:30 o'clock Wednesday afternoon by the Rev. Myron L. Pontius. They were unattended.

The bride is the daughter of Frank Zirkle and was born in the Sinclair neighborhood and is justly popular in the community in which she has lived.

The groom is a carpenter by occupation. They will make their home in Normal.

Hembrough-Taylor.

John W. Hembrough of the Asbury neighborhood and Miss Harriet Taylor of Franklin were united in marriage at 4 o'clock Wednesday afternoon by the Rev. Myron L. Pontius, pastor of Central Christian church at the church parsonage.

They were attended by Oliver Taylor, brother of the bride and Miss Minnie Hembrough, sister of the groom.

The groom is a member of one of Morgan county's well known families. He is a farmer by occupation and is highly esteemed in his home community.

The bride is a resident of the Franklin neighborhood and is a young woman of charming personality and has many friends who will unite in wishing her much happiness. They will reside on a farm near Franklin.

Bosse-Cox

Louis Bosse of Bluffs and Miss Lena A. Cox of Concord were united in marriage at 2 o'clock Wednesday afternoon by the Rev. D. V. Gowdy at Centenary church parsonage. The ceremony was witnessed by Mr. and Mrs. Oscar Muller.

The bride is a member of one of the well known families of Concord. She has lived in that community all her life and is highly regarded in a wide circle of friends.

The groom is a farmer by occupation and is accounted successful in that occupation. After a brief wedding trip they will reside on a farm near Concord. Their many friends will unite in wishing them much happiness.

Hembrough-Taylor.

The marriage of John W. Hembrough and Miss Harriet Taylor was solemnized Wednesday afternoon at 3:30 o'clock, Rev. M. L. Pontius, pastor of Central Christian church, performing the ceremony at his home on West College avenue. The young people were accompanied by Miss Minnie Hembrough, sister of the groom, and Oliver Taylor, brother of the bride.

The bride is the daughter of Mrs. Martha Taylor who resides near Franklin. She was born and reared in that community and is a very estimable young woman.

Mr. Hembrough is a son of Mr. and Mrs. J. D. Hembrough of West Greenwood avenue. Until a comparatively recent date the family home was in Asbury neighborhood and it was here that Mr. Hembrough spent his boyhood days. He has for some time past been engaged in farming and has been very successful in his chosen occupation.

Mr. and Mrs. Hembrough are to reside on a farm in the Asbury neighborhood and begin their wedded life with the best wishes of a wide circle of friends.
